### **RESOLUTIONS**

#### **HOUSE RESOLUTION 864**

Offered by Representative Jefferson:

WHEREAS, American senior citizens are confused about the new Medicare drug plan; because this confusion is so prevalent, Congress should provide more time for seniors to determine the best options for their individual needs; and

WHEREAS, According to a poll released by the Kaiser Family Foundation, two-thirds of seniors do not know they have to choose a private prescription drug plan; one-third of seniors think they can receive their drugs through Medicare; the poll showed that 76% of seniors have never been on-line, making researching their options even more intimidating; and

WHEREAS, Most alarming, 63% of seniors don't know they will face financial penalties if they do not sign up by next May; and

WHEREAS, The Medicare Informed Choice Act of 2005 will protect seniors as they work their way through the benefit; the bill does three important things: delays the late enrollment penalties for an additional six months, providing an entire year before financial penalties will be assessed; gives every Medicare beneficiary the opportunity to make a one-time change in plan enrollment at any point in 2006, providing for correction of any mistake made in choosing a plan; and it protects employees from being dropped by their former employer's plan during the first year of implementation so that beneficiaries have time to correct enrollment mistakes; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge Congress to pass the Medicare Informed Choice Act of 2005 as introduced in the Senate; and be it further

RESOLVED, That copies of this resolution be delivered to each member of the Illinois Congressional delegation.

RESOLVED, That an Animal Control Task Force be appointed to examine the Animal Control Act and make comprehensive written recommendations for change; the Task Force shall have 9 members, including: a representative of the Bureau of Animal Welfare within the Department of Agriculture, as designated by the Director of the Department; the Director of Public Health, or his or her designee; 2 representatives appointed by the Illinois State Veterinary Medical Association, one of whom must be a county animal control administrator; a representative appointed by the Illinois Farm Bureau; a representative appointed by the American Society for the Prevention of Cruelty to Animals (ASPCA); a representative appointed by the Illinois States' Attorneys Association; and 2 representatives appointed by the County Animal Controls of Illinois, one of whom must represent the greater Chicago metropolitan area and one of whom must represent downstate Illinois; staffs of both the House Legislative Leaders assigned to the House Local Government Committee shall provide staff support to the Task Force as necessary; the Task Force shall hold at least 3 hearings, which shall each be held in geographically separate regions of the State, and shall present a written report to the House of Representatives no later than January 1, 2007; the Task Force members shall receive no compensation, and the Task Force shall conclude all business by February 1, 2007.

## HOUSE JOINT RESOLUTION 92

Offered by Representative Moffitt:

WHEREAS, The Illinois Fire Service is experiencing problems with self dispatching of equipment and personnel for both State and national responses to emergency scenes without formal approval by a coordinating authority; and

WHEREAS, The Illinois Fire Service Caucus members have requested an end to self dispatching because of its potential to degrade continuity of operations and the critical infrastructure protection of both the sending and receiving jurisdictions; and

WHEREAS, Stopping self dispatching will reduce confusion and risk at an emergency scene by reducing the need to commit additional resources to the management of those people and equipment that self dispatched to the scene; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we encourage the prohibition of self dispatching by State and national response services; and be it further
